

## Rosati-Kain Parking 2010-2011 (revised August 26, 2010)

The parking lot at Lindell and Taylor is a great opportunity for Rosati-Kain. Students will have designated, parking on all school days as well as for many after school events. This parking will also eliminate parking issues on the side streets which should facilitate drop off and pick up. Adjustments may present some inconvenience but no insurmountable problems. Carpooling is still recommended for a variety of reasons. As the year progresses we will monitor the success of the new parking arrangements and notify you of necessary adjustments. The following list outlines important points.

- ❖ 104 general parking places are on the new lot plus 6 handicap spots
- ❖ 15 event parking spaces (reinforced lawn area) for overflow only
- ❖ All R-K cars are to display their assigned and numbered parking permit
- ❖ Permits are free and to be displayed in the lower front windshield, passenger side. They are numbered. Extras or replacements are \$15.00
- ❖ Parking spaces are not assigned.
- ❖ Use the Lindell drive to enter and exit the lot with right hand turns only
- ❖ Watch for pedestrians and use designated sidewalks and walkways
- ❖ Pedestrians, watch for moving cars. Really.
- ❖ An emergency call station is located on the parking lot and will be answered by a security company. If it is necessary to push the button, stay there with a friend and explain the emergency.
- ❖ The round glass building next to the parking lot is the Catholic Education Office, a safe place in case of emergency.
- ❖ No student parking on Maryland, Newstead, or Lindell, please
- ❖ Normal safety routines, such as the buddy system, locking vehicles, reporting suspicious activity, not leaving belongings in sight, etc. always apply.
- ❖ In the event of a medical need, communicate with Mrs. Mohan regarding special parking consideration

### DROP OFF AND PICK UP INFORMANTION

- ❖ Since we are no longer renting from the Engineers' Club please do not use their lot unless special arrangements have been made and announced.
- ❖ Every R-K student with a cell phone should store 314.533.8513 in her contacts.
- ❖ The east side of Newstead will be a no parking zone from Lindell to the alley to create a drop-off & pick-up zone

These directives are presented as part of the school policies and procedures rather than mere suggestions. Failure to abide by these directives will be addressed in accordance with the published discipline policy presented in the school handbook.
