# Mexico's Yucatan (Cancun & Cozumel included)
# June 8 – 17*, 2009 (10 days)

## A few things to think about:

- EF is an awesome travel company that Nancy Mueller has used many times for travel with high school students. There are many adults who travel with this company (me) who love it!! It is geared toward the younger or more frugal traveler.
- There will not be porterage service. Each traveler needs to be able to carry their one checked bag and one carry on bag.
- The hotels will be 2 and 3 stars. Each room does have a bathroom.
- The scheduled date of departure is subject to change a few days in either direction. We will know approximately 30 days prior to departure. We must be flexible in our departure date.
- There will be a highly recommended organizational meeting in March/April of 2009.
